Last Updated: December 2024

Contents

**Active Pharmaceutical Ingredients (API) ..... 2**  
**Over the Counter (OTC) Medications ..... 3**

## Active Pharmaceutical Ingredients (API)

An API is defined by 21 C.F.R. § 207.3(a)(4) as a bulk drug substance that “is represented for use in a drug and that, when used in the manufacturing, processing, or packaging of a drug, becomes an active ingredient or a finished dosage form of the drug.”

As of September 2011, coverage of APIs is limited to select ingredients found to be cost-effective to ND Medicaid. The following APIs have been identified as being cost effective for the State, and therefore, may be included in extemporaneously compounded prescriptions. New APIs will be added to this list as they are identified.

- Amlodipine powder
- Baclofen powder
- Caffeine powder
- Enalapril powder
- Lansoprazole powder
- Lorazepam powder
- Metronidazole powder
- Omeprazole powder
- Nifedipine powder
- Phenobarbital powder
- Progesterone powder
- Promethazine powder
- Spironolactone powder
- Ursodiol powder

## Over the Counter (OTC) Medications

The following is a listing of NDCs that have been paid in the previous calendar year. This list is provided as a convenience to find a covered OTC NDC and will be updated yearly. Please note that NDCs listed here are not guaranteed to be covered as coverage requirements may change.

The best approach would be to start at the top of the list and move your way down to find an NDC that is reasonably able to be dispensed as it is listed by descending script volume.

| NDC         | Generic Name                   | Brand Name                  | Therapeutic Class |
|-------------|--------------------------------|-----------------------------|-------------------|
| 57599074501 | blood ketone test, strips      | PRECISION XTR B-KETONE STRI | Other             |
| 00904641292 | calcium carbonate              | CALCIUM ANTACID 500 MG CHW  | Other             |
| 70677107501 | calcium carbonate              | FT ANTACID 500 MG CHEW TABL | Other             |
| 00536100715 | calcium carbonate              | CAL-GEST 500 MG TABLET CHEW | Other             |
| 70000003401 | calcium carbonate              | ANTACID 500 MG CHEW TABLET  | Other             |
